In this view it is for the mines to get the operatives trained by deputing them to the course. The Chief Inspector of Mines may perhaps suggest this to the Companies.

GOVERNMENT OF INDIA.
DEPARTMENT OF LABOUR.

Office of the Chief Adviser, Factory A.R.P.

No. ARPII-7(7).

Dated New Delhi, the 18th September, 1942.

From

Gordon Peace, Esquire, F.I.C., F.R.A.S.
Chief Adviser, Factory Air Raid Precautions.

To

All Factories for whose A.R.P.
the Central Government is
responsible.

Gentlemen,

In circular letters issued from time to time by the Government of India, Department of Labour, factories have been recommended to nominate their officers to attend Industrial Courses at the Air Raid Precautions Staff School, 4, Camac Street, Calcutta.

Owing to the difficulty at one time experienced in obtaining sufficient vacancies for officers from factories this School was reconstituted as from July, 1942 as the Civil Defence Industrial School, and Industrial Courses, each for 35 students are now being held at monthly intervals. The response from factories however, has lately been disappointing, and it is believed that they may in some cases be unaware of the ample and excellent opportunities which now exist for the training of Factory A.R.P. Officers, Deputy A.R.P. Officers and other senior staff in the most up-to-date methods of A.R.P. organization for important factories.

I am therefore, to urge that if you have not already done so, you will immediately apply through this Department for early vacancies at the School for members of your staff as above. The syllabus of these Courses covers a wide range of subjects including the elements of structural protection for vital plant and buildings, the planning and construction of A.R.P. Shelters, Obscuration problems etc., and in addition the planning and organization of Factory A.R.P. services, to which much time is devoted. Thus the instruction and information given are such as should be available to every officer concerned with the organization of Factory Air Raid Precautions; and those officers who have attended have found them of the greatest value and help. If you have no one on your staff whom you can spare to attend, that is in itself an indication that you require to appoint a whole-time A.R.P. Officer who will have time to undergo the necessary training.

It would be deplorable if these valuable training facilities had to be withdrawn through lack of support from factories. Rather than allow that to happen, I might be disposed to consider that advisability of exercising my powers under sub-rule (b) of Rule 51C of the Defence of India Rules and serving orders on such factories as have not already applied for vacancies. requiring them to nominate their A.R.P. Officers and Deputies etc., to attend the School , and if necessary also to engage and appoint a full time A.R.P. Officer. It is however, believed that the matter has only to be brought to the attention of factories for the necessary response to be forthcoming.

I have the honour to be,
Gentlemen,
Your most obedient servant,

Chief Adviser, Factory Air Raid Precautions. (P.T.O.

CHIEF SECRETARY
18 APR. 1943
Sir,

With reference to Government Order No.3478/8/W. dated 1st February 1943 and in continuation of this office letter No.A.R.P.576/42-43 dated 1st April 1943 re: the deputation of Mr. S.R.Prasad, Junior Inspector of Mines to Calcutta to undergo A.R.P. Staff Officers' Training at the Civil Defence Industrial School, I have the honour to state that Government sanctioned the payment of a second class fare for the journeys and a Special Daily Allowance of Rs.5/- per day for the days of halt. In this connection Mr. Prasad represents that he may be paid 1½ Second Class fare for to and fro journeys and a Special Daily Allowance of Rs.7-8-0 a day, owing to very heavy expense on the journeys and also during his stay at Calcutta. The Commandant in charge of the Industrial School has stated in his letter No.203/20/9300/43 CD dated 6-4-43 - original enclosed for reference - that owing to the increased cost of living at Calcutta the Indian Hotels are charging Rs.8/- per diem. I therefore recommend that Government may be pleased to sanction to Mr. Prasad 1½ Second Class for the to and fro journeys with a Special D.A. of Rs.7-8-0 per day for the days of halt at Calcutta.

I have the honour to be,
Sir,
Your most obedient servant,

Controller for A.R.P.,
